Dear Parent/Carer,

Re: Upcoming Rank Order Assessment Weeks

Year 9 students are due to sit Rank Order Assessments between 6th and 13th January 2027.

This pack gives revision details for each subject. Students are expected to use this pack, as well as advice and guidance given by their teachers, to prepare themselves for the ROA assessments.

It is imperative that your son/daughter is well prepared for their assessments so that they can perform at their very best. All assessments will inform the rank order for the year group, and the class groups will be restructured accordingly from 22nd February 2027. The results will also be used to determine recommended option pathways for students.

A timetable for the examinations is included in this pack. Core examinations will be sat in the hall, whereas others will take place in classrooms for most students. Students who are eligible for exams access arrangements will receive it in line with their needs.

Students should attend all examinations. We will not be able to facilitate catch up beyond the exam window and missing an examination may affect their setting.

Any subjects, in which students do not sit their papers, will not be included in the calculation of their overall position in the rank.

If there is any way we can support your son/daughter further with their assessment preparation, please do not hesitate to contact either of us on the email addresses below. Results of the assessments, along with streaming information, will be shared on 4th February 2027.

Yours sincerely,

Charlotte Larrington-Vandy
