

Friday 02 May 2025

Dear Parents and Carers,

**Re: End of Year Rank Order Assessments**

Year 7 students are due to sit their first round of Rank Order Assessments between Monday 19<sup>th</sup> May and Friday 6<sup>th</sup> June.

Rank Order Assessment (ROA) involves students sitting assessments in all subjects, with the results being used to rank them in individual subjects and overall. The overall rank will determine the ability-related stream students will be taught in from September 2025. On the academies' websites under 'Key Stage 3 Exams', there is a short video which gives more details about the ROA process and offers guidance on how you can help your child prepare for these examinations.

This pack gives revision details for each subject. Students are expected to use this pack, as well as advice and guidance given by their teachers, to prepare themselves for the assessments.

There will also be additional core revision sessions running live on TEAMS as follows:

- Science Revision: Monday 19<sup>th</sup> May
- English Revision: Thursday 22<sup>nd</sup> May
- Maths Revision: Tuesday 20<sup>th</sup> May

Invites to these sessions will be sent to students' GW email accounts. Revision for other subjects will be placed on SMHW/Teams and further information will be provided to students by their class teacher.

A timetable for the examinations is included in this pack. In addition to the exams shown on the timetable, students will also sit a listening and reading exam in French/Spanish. This will take place during a French/Spanish lesson and students will be given advance notice by their teacher. Most core examinations will be sat in the hall, whereas others will take place in classrooms for most students. Students who are eligible for Exams Access Arrangements will receive it in line with their needs.

Students should attend all examinations. We are only able to facilitate a second opportunity to sit a missed paper as follows:

- English: Tuesday 10<sup>th</sup> June
- Maths: Wednesday 11<sup>th</sup> June
- Science: Thursday 12<sup>th</sup> June
- Ethics: Friday 13<sup>th</sup> June

High Achievement – High Standards

Part of United Learning

Any subjects in which students do not sit their papers will not be included in the calculation of their overall position in the rank.

If there is any way we can support your son/daughter further with their assessment preparation, please do not hesitate to contact either of us on the email addresses below. Results of the assessments, along with streaming information, will be shared on 3<sup>rd</sup> July 2025.

Yours sincerely,

Adam Besant  
Associate Assistant Principal
