Dear Parent/Carer,

Re: Mock Examinations

Year 10 students will be sitting mock examinations in core (English, maths, science and ethics) and EBacc (history, geography, French and Spanish) subjects, between Friday 5th June and Monday 22nd June.

Included in this pack is a timetable for these examinations. Some will be sat formally in the hall, whilst some will take place during subject lesson time in classrooms. This pack gives revision details for each subject. Students are expected to use this pack, as well as advice and guidance given by their teachers, to prepare themselves for the assessments.

There are also revision videos on our website that can be found here: [Revision | Curriculum | Glenmoor Academy](#)

These are an important set of examinations for Year 10 students. Not only will they allow them an invaluable 'rehearsal' for terminal GCSE examinations next year, but the results will be used to make our first set of predictions for the year group. Many students will be asked for these predictions when they begin to apply for their post-16 courses in September. The results will also be used to make decisions around tiers of entry in maths, science and languages, and to place students into their sets at the start of Year 11.

Students should attend all examinations. We will not be able to facilitate catch up beyond the exam window and missing an examination may affect their setting.

If there is any way we can support your son/daughter further with their assessment preparation, please do not hesitate to contact either of us on the email addresses below. Results of the assessments, along with setting information, will be shared on 15th July.

Yours sincerely,

Laura Richardson
