Dear Parent/Carer,

Re: Year 11 Mock Examinations, 4 – 19 November 2026

You will be aware that students will be sitting their year 11 mock examinations between the 4th and 19nd November.

Enclosed in this pack is a timetable for the examinations, a timetable showing P0 and P5 revision sessions and a booklet with details about the format of each paper and a revision list. It is important that students are well-prepared for these examinations. Revision now will pay dividends in summer terminal external examinations.

These examinations will provide students with an invaluable opportunity to experience the full formal GCSE examination process. They will also allow students, their teachers, and parents/carers to understand their current ability to apply their learning to full exam papers ahead of the summer exams and crucially, to in turn know what their areas of focus.

We will support students in their preparation through revision-focused lessons and through the Period 0 and Period 5 schedule, which has been revised for the mock period. Students are also expected to revise and prepare at home, both via revision-focused set homework and independent self-study.

Students should attend all examinations. We will not be able to facilitate catch up beyond the exam window and missing an examination may affect their setting.

If there is any way we can support your son/daughter further with their assessment preparation, please do not hesitate to contact either of us on the email addresses below. Results of the assessments, along with setting information, will be shared on 10th December. A Parents' Evening to discuss progress further on 7th January can discuss your child's outcomes and next steps.

Yours sincerely,

Amelia Ashby
