Dear Parent/Carer,

Re: End of Year Rank Order Assessments

Year 7 students are due to sit their end of year Rank Order Assessments between Wednesday 20 May and Friday 5 June 2026.

This pack gives revision details for each subject. Students are expected to use this pack, as well as advice and guidance given by their teachers, to prepare themselves for the assessments.

There are also revision videos on our website that can be found here: [Revision | Curriculum | Glenmoor Academy](#)

It is imperative that your son/daughter is well prepared for their assessments so that they can perform at their very best. All assessments will inform the rank order for the year group, and the class groups will be restructured accordingly from September 2026.

A timetable for the examinations is included in this pack. In addition to the exams shown on the timetable, students will also sit a listening exam in French/Spanish. This will take place during a French/Spanish lesson, and students will be given advance notice by their teacher. This will also be the case for the performance component of the assessment in music and drama. Students who are eligible for Exams Access Arrangements will receive it in line with their needs.

Students should attend all examinations. We will not be able to facilitate catch up beyond the exam window and missing an examination may affect their overall rank.

If there is any way we can support your son/daughter further with their assessment preparation, please do not hesitate to contact either of us on the email addresses below. Results of the assessments, along with streaming information, will be shared on 2nd July.

Yours sincerely,
