Dear Parents and Carers,

Re: Year 9 Core End of Year Assessments

Year 9 students will be sitting examinations in core subjects: English, mathematics, science and ethics – between Monday 16th June and Friday 27th June.

Most of the examinations will be sat formally in the hall and a small number will be sat during lessons in classrooms. Students who are eligible for Exams Access Arrangements will receive it in line with their needs. Enclosed is a timetable for the examinations and a booklet to support students with their revision and preparation. There will be the opportunity for students to attend some additional after-school revision sessions remotely via TEAMS as follows:

Tuesday 17 June: Maths 1

Wednesday 18 June: Science

Thursday 19 June: English

Monday 23 June: Ethics

Tuesday 24 June: Maths 2

Students should attend all examinations. We are only able to facilitate a second opportunity to sit a missed paper as follows:

Monday 30 June: English

Tuesday 1 July: Ethics

Wednesday 2 July: Science

Thursday 3 July: Maths

Whilst in Key Stage 3 we use an overall rank where all subject results are combined to place students into a **stream**, at Key Stage 4 students are placed into ability-related **sets** in their core subjects. This means that students' results in individual subjects will inform the set they are in for that subject, and they may well be in different sets for different subjects. The results of these examinations will be used to place students into ability-related sets in core subjects at the beginning of Year 10.

The results of these examinations will be shared on 16th July. Please do not hesitate to contact us if you have any questions.
