Getting Ready to Start

Whether you're returning or joining us for the first time, it's a pleasure to welcome you to Glenmoor & Winton Academies. Our first priority remains ensuring every student feels safe, secure, and ready to excel. When students feel supported, they thrive – academically, socially, and emotionally.

At the Academies, we continue to place a strong focus on strengthening the partnership between home and school. Working together is key to ensuring every child can reach their full potential, and we value the role families play in that journey. We are also reinforcing the importance of excellent attendance – making the most of every minute, every lesson, every day – as this underpins strong progress and long-term success.

Alongside academic learning, we continue to offer a wide range of enrichment opportunities for students to explore new interests, develop skills, and grow in confidence. From sport and music to leadership, creative arts and clubs, there is something for everyone to get involved in.

We encourage our students to aim high and take pride in their achievements, both in and beyond the classroom. Our students follow the 'GW Way', a shared language and set of habits that help build a consistent, positive culture, where high expectations and mutual respect strengthen our school community.

We're looking forward to another fantastic year of learning, opportunity and success.

Warm regards,

Leon Lima, Principal

Mission Statement

Glenmoor and Winton Academies empower students to surpass their potential and lead joyful, fulfilled lives. By setting high standards and expectations, we open doors to the best academic institutions and career opportunities.

Our Values

Act with Integrity

"Integrity is doing the right thing, even when nobody is watching"

Speak with Compassion

"Treat others how you want to be treated"

Work with Courage

"Hard work beats talent when talent doesn't work hard"

The GW Way

These seven habits reflect what it means to be a GW student, and we expect students to demonstrate these throughout their time at the academies.

I will listen **patiently** and speak **politely**

I will **respect** others and their right to learn

I will **focus** on my learning and take **pride** in my work

I will work **independently** and take **responsibility** for my actions

I will be **resilient** and never give up

I will be **kind** and **supportive**

I will provide **service** to my school and community

Safeguarding

The Academies take the safety, security and happiness of all students very seriously and believes every child has a right to a happy, successful and enjoyable education. The safeguarding policy be found on the website (about us > policies) and has been developed in order toto ensure ongoing compliance with Government Acts and Safeguarding legislation, the most recent of which being the 2014 Keeping Children Safe in Education document (updated, 2021). The Academies also follows the Pan Dorset Multi Agency Safeguarding Partnership procedures and ensures that ongoing training is provided to staff, students and other stakeholders in line with recommendations and the needs of the Academies.

The Academies recognise that children have a fundamental right to be protected from harm or exploitation and that students cannot learn effectively unless they feel safe and secure.

The Academies will, therefore, provide an environment which promotes self-confidence, a feeling of worth and the knowledge that students' concerns will be listened to and acted upon. Governors, staff and volunteers in the Academies understand the importance of working in partnership with children, their parents/carers and other agencies in order toto promote children's welfare.

UNIFORM RULES

Headscarves

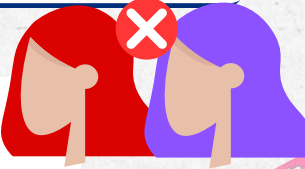

Plain headscarves may be worn, in black or navy.

No nail-varnish or hand decorations are permitted. Year 10-11 students are permitted to wear natural make-up which is restricted to minimal mascara and concealer. No fake tan is permitted.

Nails must be kept at a safe, natural length. Artificial nails (including acrylics and press-ons) and nail extensions are not permitted.

Hair Style

Hair must be a natural colour. Skin fades, patterns, or undercuts are not permitted, or eyebrow lines. Hair styles should not be extreme. Head band, if worn, should be either navy blue or black.

No hoodies

No Handbags until Year 10.

Students should wear a plain backpack or sturdy messenger bag.

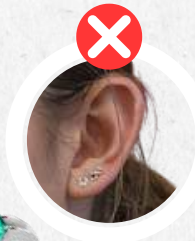

KS4 handbags should be plain black leather, or leather- look.

Y10 & 11 only

Piercings & Jewellery

One plain gold/silver stud earring may be worn in each ear; these must be removed or covered for all forms of physical education. Jewellery (rings, necklaces etc) is not permitted.

When students are in the buildings they are expected to wear full uniform to a high standard of presentation. Our expectations of students as they move around the site during the academy day include:

- Blazer on
- Blazer sleeves rolled down
- Blouse/shirt tucked in
- Tie on (Winton)
- House badge on blazer lapel

Refusal to comply with uniform standards will result in a reflection being sanctioned until the issue is resolved.

We recommend that valuables are left at home where possible. The academies are not responsible for the loss of items brought in to site.

Mobile Phones & Devices

At our Academies, we want every student to feel focused, safe, and ready to achieve their best. To help make this possible, we have a clear approach to mobile phones and electronic devices:

- We have moved to a smartphone-free school site, beginning with students who joined Year 7 in September 2026. This is the first step in a phased, whole-school approach. (Please note that Smart watches are also banned items at the Academies and are subject to the same sanctions.)
 - **Smartphones/Smartwatches must not be brought onto the school site**
 - If a phone is required for travel, students should bring a device that has no smart features enabled e.g. no camera, no facility for applications. These are commonly referred to as 'brick phones'.

Acceptable phones must:

- Allow calls and texts only
- Have no internet access or apps
- Have no camera

Expectations on arrival at School

Our existing behaviour policy remains in place for all mobile phones (both smartphones and brick phones):

- Phones must be switched off
- Placed in the bottom of the student's bag
- This applies from the moment students cross onto the school site.

If a student is found using or carrying a 'brick phone'

- **The student will receive a one-hour, same-day detention finishing at 4pm**
- **The phone will be confiscated and stored securely**
- **It will be returned at 4pm**

If a student is found using or carrying a Smartphone/Watch:

- **The student will receive a one-hour, same-day detention finishing at 4pm**
- **The phone will be confiscated and stored securely**
- **The phone will be kept until the end of the half term when a parent/carers can arrange to collect the device.**

Thank you for your support as we work together to ensure a safe and successful academic year.

The full behaviour policy is available on our website under about us > policies

Journal & Impressions

Our student journal is a really useful tool for all of our students.

The student journal contains useful information for students, including maps, links and mental health guides. →

There are notes and diary pages to help students plan their week and make helpful reminders.

There are also some quick information guides for geography, maths, citizenship and other subjects.

The back of the planner contains our positive and negative impressions cards.

If a student receives 3 tickets on their negative impressions card then this results in an SLT detention, however students can also earn stamps for positive impressions. On the 9th stamp, students receive a new negative sticker and 50 house points. When the positive impressions card is full, students receive a raffle ticket for the prize draw.

Lockers

<https://locker.rentals/>

Lockers at the academies are located in year group blocks. Once these are sold then parents are free to choose a locker outside of these blocks. Lockers can only be rented for the duration of an academic year, at the end of which all personal items need to be removed. A new locker, in a different location, will need to be rented each year. The same locker cannot be held for the entire duration a student is at the academies.

Availability of lockers is allocated on a first come, first served basis. Please ensure that you enter the correct year group your child will be in September 2026 and select the correct academic year. Any bookings for the incorrect academic year will not be valid and you may still be charged.

Year 7 & 8 - Glenmoor site

Year 9 - Both sites

Year 10-11 - Winton site

If you have any further questions regarding lockers please email office@glenmoorandwinton.org.uk

Locker Rentals operates dynamic pricing so the price will decrease if booked later in the term, to reflect that the locker has not been booked for the full period.

Communication

- All of our communication is sent digitally, by email or text
- Students may also receive emails to their school email
- We will sometimes post important information on Satchel One, such as links to join clubs

Arbor Pay

Although canteen payments (for food) are made in iPay, all our other payments go via Arbor.

For example:

- Trips
- Voluntary donations
- Charity
- Equipment
- Library fines

Therefore we do require all parents to register for Arbor before their child starts at the academies.

Registering for Arbor

Arbor is set up with the primary carer (parent/carers) email address - this is what parents will need in order to sign in. We cannot use any other email address other than the one registered on our system. First, visit the appropriate school's website.

Tutor Groups & Houses

At Glenmoor & Winton we run a house system where each tutor group is aligned with a house. The house system is designed to foster a sense of community, offer students the chance to work with other year groups and feel more connected with the community around them.

Students can achieve house points through house events and displaying house values. These contribute to a league, leading to the awarding of the house trophy at the end of the year.

Throughout the year the Heads of House, alongside the house student leaders, coordinate service, sporting, charity and arts events. Our focus is to further develop our links with our local community and develop our Glenmoor & Winton House Service events.

Curriculum

Mrs S Dean, Vice Principal in Charge of Quality of Education

We believe that providing our students with a broad, balanced curriculum should be at the heart of everything we do. Our curriculum exploits links between the skills and content in different subjects to enable our students to experience coherence in their learning.

Academic Support

Students who arrive at the Academies having not achieved the benchmark standard in maths and English (literacy) will be given additional support to boost their progress in their first year of secondary education and beyond.

This support takes the form of additional literacy and numeracy lessons, most of which will take place during the academy day, although students may be asked to attend sessions before or after school. Parents and carers will be fully consulted with if we feel your child would benefit from this intervention.

To find out more, visit our curriculum website by scanning the QR codes or visiting www.glenmoorandwinton.org.uk.

Core Subjects

Non-Core Subjects

Students can choose between two languages at KS3. At KS4, languages are optional, depending on the pathway chosen.

Knowledge Organisers

Students will be given a Knowledge Organiser at the start of each academic year. This organiser sets out the key information they need to learn in each subject in each term. Students carry these organisers around with them and use them in lessons and are also expected to use them at home to support them with homework and to help them with revision for tests and examinations.

Grammar Stream

The aims of the Grammar Stream are twofold:

- Develop the 'academic breadth and ability' of students beyond the normal provision of most secondary schools.
- Encourage the holistic growth of those individuals to help them succeed in whatever they choose to pursue in the future.
- It is hoped that this will have several benefits:
- Entry to top universities
- Career development and adaptability

What is the Grammar Stream?

The Grammar Stream consists of some of the highest attaining students in Years 7-9. They commit to participate in certain 'academic' and 'non-scholastic' strands. The Grammar Stream runs academically parallel with Set 1. Grammar Stream students take part in various bespoke activities including team building, a reading programme, public speaking, a lecture programme and external trips. The aim is to develop their all-round character, as epitomised in the Grammar Stream motto 'Engage, Contribute, and Lead'.

Entry and retention from Sep 2024

All Year 7 students are invited to register their interest in the Grammar Stream through a written application. These applications are then considered alongside other evidence such as baseline assessments which are completed in the Autumn term. Membership of the Grammar Stream is intended to last for three years as long as the students:

- Participate fully in the Grammar Stream offer.
- Maintain high standards in academic progress, behaviour, conduct.

Membership of the Grammar Stream pre-September 2024

The retention of students in the Grammar Stream who joined before Sep 2024 is based upon the following:

- Having an overall rank above 60th
- Full participation in the academic and non-scholastic strands
- Maintaining an average attendance above 94%
- Maintaining high standards of behaviour, conduct and being a role-model for others.
- Please contact the Grammar Stream Coordinator, Mr Gareth Leaney, if you have more questions. gleaney@glenmoorandwinton.org.uk

Canteen

The Academies' canteen is cashless. Purchases are paid for using an iPay account issued to students at the start of term. An iPay account reference link will be sent to parents which allows them to set up and control their child's iPay account whereby they can see the balance on the account and add money online as required. Students use their finger to access the funds in their account. The finger scan generates a unique code to access the iPay account and therefore no biometric data is stored on our systems.

Any funds left on the account at the end of the year will roll over to be used in the following year. Parents have full visibility of what their child has purchased each day, and it is also easy to upload money onto an account. The finger scan system stops students having to bring cash into school and is a safe way to pay as the finger scan is unique to each child.

Free School Meals

Parents and Carers of children entitled to Free School Meals will have an iPay account already set up for their child.

The daily FSM allowance is £2.75; if this is not spent it is **not** carried forward to the next day.

The FSM allowance can be used to purchase a meal deal.

Main Meal Deal:

- Hot main dish **OR** hot grab & go **OR** sandwich/wrap/pasta **OR** salad pot
- **PLUS** home bake/hot pudding/fruit pot **OR** bottle of water

Please email ipay@glenmoorandwinton.org.uk with any questions or concerns.

SEND

At Glenmoor and Winton Academies we aim:

- 1.To ensure that all students have access to a broad and balanced curriculum
- 2.To provide a differentiated curriculum appropriate to the individual's needs and abilities
- 3.To ensure the identification of all students requiring additional support and those with SEND as early as possible on entry to the Academies
- 4.To ensure that SEND students take as full a part as possible in all Academy activities
- 5.To ensure that parents of SEND students are kept fully informed of their child's progress and attainment
- 6.To ensure that students with SEND and their parents/carers are involved in discussions and decisions affecting SEND provision
- 7.To ensure that students with SEND are assisted during their transition into and out of the Academy
- 8.To operate a 'whole pupil, whole school' approach to the management and provision of support for special educational needs
- 9.In conjunction with the Medical Policy, make arrangements to support pupils with medical conditions and to have regard to statutory guidance supporting pupils with medical conditions

Support can be provided in class through quality first teaching strategies, in small groups or working 1:1 in the Inclusion Department. If students are registered as having SEND, regular assessments are carried out to monitor progress and adjust the provision if necessary.

For further details of SEND provision please contact the SENDCo Mr M. Marle, or Deputy SENDCo Mr Steve Viney, Mr Matthew Marle on 01202 527818 or by e-mailing SEND@glenmoorandwinton.org.uk.

Library

Our library is open to all students. We have over 2000 books available to borrow, with more being added every month. Students can use the space throughout the day, and laptops are available for completion of homework or for research.

REFLECTION

Lost Property

At Glenmoor & Winton academies, we realise that items belonging to students occasionally get misplaced. The best way to help prevent this happening is to clearly name all items brought into school so we can return them quickly.

As many items are not named, we usually have a large selection of unclaimed and un-named items including shoes, trainers, coats, jackets, reading glasses, and keys, to name but a few.

In a bid to reunite these items with their owners, we ask parents to use this link to fill out the online form in as much detail as possible and we will do our best to help.

We are unable to keep any items longer than 30 days, so please let us know as soon as possible after an item is lost.

Attendance

A student's time in school like completing a jigsaw puzzle. Every single school day is one piece of that puzzle. When children miss school, it's like losing a piece: the picture is impossible to complete, and they miss out on seeing the full picture.

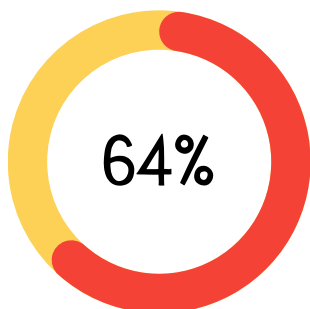

Even just one missing day might not feel like much—but over time, the missing days add up. Each one makes it harder to build their best future. Being present as often as possible helps with learning, keeping up, friendships, confidence—and in the long run, with exam results and opportunities afterwards.

We aim for all students to achieve 97% attendance or higher during their time here, to help them achieve their full potential.

Why This Matters—for students, For Parents

- Being in school regularly means students don't fall behind in lessons, which makes revision easier, stress lower, and confidence higher.
- Regular attendance helps build friendships and relationships with teachers—it's easier to take part in group activities, ask questions, and feel part of the school community.
- For parents/carers, supporting good attendance means fewer worries about catching up, and giving your child the best chance to unlock their potential.

Glenmoor and Winton Academies empower students to surpass their potential and lead joyful, fulfilled lives. By setting high standards and expectations, we open doors to the best academic institutions and career opportunities.

64% of persistently absent students will not achieve at least 5 or more GCSEs.

The students shown in red will not achieve their full potential as a result of persistent absence.

Home/School Agreement

The academies' expectations of students

- Be considerate, honest, and well-mannered, behaving in a helpful and responsible manner towards others.
- Work to the best of your ability in classwork and homework, taking advantage of opportunities provided by the academy, including extra-curricular activities and community service.
- Maintain a completed journal, checked, and signed by parents/carers weekly.
- Conform to academy rules for safety, good discipline, and follow staff instructions.
- Wear the correct uniform, taking pride in your appearance, and adhere to guidelines on jewellery, dyed hair, and body piercings as outlined in the student journal and policies. A smart appearance contributes to a purposeful learning environment.

The responsibility of Parents/Carers

Parents/Carers play a crucial role in supporting the academy to provide the best possible education for their child. Parents/Carers agree to the following commitments:

- Support the academies' standards of work and behaviour, encouraging their child to take an interest in their work and strive for maximum effort and achievement in all areas of study. Ensure a suitable place and regular time for homework completion.
- Participate in regular discussions about your child's progress and development, particularly by attending parents' evenings.
- Keep the academy informed about any matters or concerns that may affect their child's progress or attitude.
- Ensure regular attendance, high standards of appearance, and punctuality as laid out in the prospectus.
- Ensure students are properly equipped for all lessons.
- Assist the academies in maintaining high standards of discipline by supporting the academy's rewards and sanctions, particularly on the issue of detentions.
- Read and understand the transition booklet and agree to abide by the school policies available on our website:

www.glenmoorandwinton.org.uk

By adhering to this home academy agreement, we collectively ensure a nurturing, respectful, and dynamic educational environment where integrity, compassion, and courage are the cornerstones of our community.
