Dear Parents/Carers,

Re: Glenmoor and Winton PE

We are excited to welcome both new and returning students to PE lessons this academic year. We look forward to celebrating the many successes of our students and teams in the months ahead.

As a reminder, the expectations for PE kit can be found in detail on the school website, click on the relevant school for further details [Glenmoor](#) and [Winton](#). Additionally, if a student is unable to participate in PE lessons due to illness or injury, we kindly ask that they bring a signed note explaining the reason for non-participation. However, students are still expected to bring their PE kit and get changed, as this helps them feel more engaged in the lesson. The only exception is for students who are physically unable to change due to their condition (e.g., if they are on crutches, have recently undergone surgery, or are wearing a cast).

In the first PE lesson of the year, students will be informed of the sports and specific PE kit requirements. I would also like to highlight that our PE department offers a wide range of extracurricular activities starting from **Monday 15th September**. All students are encouraged to attend sports clubs, which are open to everyone without the need for sign-up. Students simply need to come prepared in their full GW PE kit. Full details of the extracurricular timetable will be shared with students via their tutors.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Sarah Bowen

Head of PE
