Dear Parent/Carer,

**Re: Year 10 Work Experience**

We are delighted to inform you that all year 10 students will be taking part in work experience this year. Work experience is a wonderful opportunity for students to learn about the world of work, it allows them to understand how different industries operate, and what future career paths they might like to pursue.

Our work experience week will run from **Monday 6 July – Friday 10 July 2026**. Students are expected to find their own work placement by either writing, emailing or meeting with employers to request a placement.

All students received an assembly last week about work experience and were advised to start looking now to give them a higher chance of gaining a placement in their preferred industry. Once students have secured work experience with an employer, they need to complete the placement tab on Unifrog, the instruction video can also be found here: [Filling out your student initial form \(Sep 2024\)](#)
