Dear Parent/Carer,

Re: NHS Sexual Health Dorset Workshops

I am writing to inform you of an upcoming session being delivered by the NHS Sexual Health Dorset team to Year 11 to educate them about healthy relationships.

The sessions will be delivered in a classroom, to small groups and will take one lesson.

The NHS Sexual Health Dorset nurses will deliver the workshop, and each session will be supervised by a member of staff. The Sexual Health Nurses are highly educated about how we can practice safe, healthy relationships. We have asked the NHS to deliver the sessions so that pupils are given an opportunity to engage with a specialist in the area. The presenters are all involved in the sexual health clinics and so are well placed to give our pupils an insight into the work they do.

The session will take place on **Wednesday 26 November**.

I am mindful that pupils will be missing a lesson to complete the workshop, and I want to reassure you that the workshop is an important part of the statutory RSE curriculum.

If you have any questions about the above, please do not hesitate to contact me on the email address below.

Yours sincerely,

Rupert Compton
