Dear Parent/Carer,

RE: MyTime Young Carers Assembly

We are delighted to announce that we are working in partnership with MYTIME Young Carers to support the remarkable young carers within our school community. MYTIME Young Carers began working with schools in 2019, and they currently work in more than 200 schools across Dorset, BCP and the Isle of Wight. As part of our partnership with MYTIME Young Carers, Glenmoor and Winton Academies will be receiving assemblies about young carers and the support available.

Who are Young Carers?

A young carer is a child, under the age of 18, who spends time looking after someone in their family home. The person may require support from a young carer for a range of reasons, including physical or mental illnesses, disability, SEND or due to substance use disorder.

MYTIME offer a range of programmes which young carers at School can now access through our partnership. Young carers will be able to access

- An Online Zoom Youth Group, where they get to take part in different activities and meet other young carers (all from the comfort of your own home!)
- Making Memories events, most of these happen in the school holidays and range from a trip into the woods at Adventure Pirates to a day of sailing or paddleboarding.
- An Employability Course (Year 10+) which allows young carers to focus on their future in education or employment.
