Dear Parent/Carer,

Re: Expression of interest for Year 7 membership of Grammar Stream

I am writing to let you know that the link for your child to express their interest in joining the Year 7 Grammar Stream is now live. The link can be found on your child's Satchel One/Show My Homework account and will remain active until **Wednesday 8 October 2024**.

The link will take your child to a Microsoft Form which they will need to complete. The form will ask your child to write a response to the following statement:

Please explain why you would like to be a member of the Grammar Stream and what the motto 'Engage, Contribute & Lead' means to you.

The response is limited to 1100 characters. Whilst we encourage parents and carers to be supportive of the process, we ask that the application is the work of the student as they are the ones making the choice to register their interest.

Please also note the following:

- Students should only complete the form if they wish to be considered for the Grammar Stream.
- Grammar Stream and Set 1 are the same academically. **Grammar Stream is not above Set 1.**
- Completing the form **does not** mean your child will be in the Grammar Stream, just that their name will be considered when the setting meeting takes place.

If you would like more information about the Grammar Stream, please see the school website: [Glenmoor Grammar Stream](#) / [Winton Grammar Stream](#). If you have any further questions, please contact me using the email address below.

Yours sincerely,

Gareth Leaney
