Dear Parent/Carer,

Re: Revision Support for ROAs

Thank you for your continued support as we work together to help your child prepare for their upcoming ROAs. We understand that the festive season is a busy time for families, and we appreciate the importance of balancing celebrations with preparation.

To support your child's revision, we have created a set of revision videos covering all examined subjects, which can be accessed via the following link:

<https://www.glenmoorandwinton.org.uk/glenmoor/curriculum/exams/revision>

We have also added a digital copy of the support pages, so all hyperlinks can be accessed easily.

As a suggestion, to support with planning out your revision, we recommend:

- 30 minutes per subject
- Spread sessions across the break to avoid overload
- Include breaks and family time to maintain balance

Little and often is best – short, focused sessions are more effective than long periods of study. This helps keep your child engaged, reduces stress, while ensuring steady progress and minimises any drop-off in learning.

If you have any questions or need further guidance, please do not hesitate to contact us.

Thank you for your support in helping your child succeed.

Yours sincerely,
